Digital Signing Process

Overview

This document describes the process for digital signing on the certificate using Digital Signing Component. Please go through the all screens as per the flow and start the installation.

Step 1:

As per the service select required documents or listed documents to approve and generate certificate.

Select Radio button and Click on Submit button as depicted in the below image.

The screenshot displays a web interface for document selection. At the top, a table titled "Encumbrance Documents List" contains four rows, each with a checked "Select All" checkbox and a link to an application number. Below the table, a "Note" in red text reads "Please select relevent documents". The main form area has a header "Action Taken" with two radio buttons: "Accept" (selected) and "Reject". Below this is a "Remarks" field containing the text "REJECTED". At the bottom of the form is a "SUBMIT" button. A callout box with a black border points to the "Accept" radio button and the "SUBMIT" button, containing the text "Select Accept Radio button and Click on Submit Tab".
